Details of Workshops announced for AVIONICS Europe 2010

AVIONICS EUROPE incorporating DEFENCE ELECTRONICS, the premier platform for the avionics community, has announced the further details on the Workshops that will be available to delegates during the 2010 event.

The exhibition and conference will be held from the 24th and 25th March, 2010 at the Passenger Terminal (City Centre) in Amsterdam, The Netherlands.

Delegates are invited to attend the various technology workshops that will be available throughout the exhibition and conference, they include:

- Challenges and Solutions for Certifying C++ Object-Orientated Embedded Software Applications
- A Partitioned, Safety Critical Graphical Abstraction Layer
- Implementing an AFDX End System in complex FPGC Logic Objectives and Safety Considerations.
- High Speed databus COTS hardware
- Software Performance Optimization: How to Avoid Early Obsolescence of Avionics Systems
- Software Safety and Security in the Context of Standards

24th-25th March 2010
Passenger Terminal (City Centre)
Amsterdam, The Netherlands
www.avionics-event.com

- Evaluating the Benefits of Today's Available DO-178B Level A Certified COTS Software Products
- Required Formal Methods for UAS Safety Critical Software Development
- Insight; Assisting Aviation Display Designers by Measuring Visual Clutter.

Designed to provide a more interactive and detailed learning experience, the Workshops will be highly education and more technical.

For more information on any of the subjects above or to register online, visit: www.avionics-event.com.

Editors Notes

Avionics Conference now in its 8th year, and retains its position as the premiere conference for the avionics industry. Recently purchased by PennWell Corporation, and now incorporating Defence Electronics, the Avionics Conference 2010 will consist of a trade exhibition, two-day conference program, workshops, master classes, exhibitor presentations and technology demonstrations. The next Avionics will be held 24-25 March 2010 in Amsterdam followed by Avionics USA 2010 3-4 June 2010 in San Diego, USA.

PennWell Corporation is a highly diversified, business-to-business media company providing authoritative print and online publications, conferences and exhibitions, research, databases, online exchanges and information products to strategic global markets.
